***Thank you to our LPECA Secret Elves who did the judging, the Volunteers who have worked throughout the year to bring events to our residents, and to all the residents who participated in decorating. Most importantly we truly appreciate the approximately 15% of LPE Residents who choose to help support the LPECA by paying their annual memberships of just \$25 per year/property. We appreciate YOU!***

***Whether you won, placed, or participated... in the Spirit of the Season – let's be happy for one another and enjoy the displays.***

***We All Win! Merry Christmas and Happy Holidays!***
